## *After Seventy Years in Babylon*

By Carol Turpin

The readings in *After Seventy Years in Babylon* are for seniors facing the challenges of growing older. This little book contains Christian devotionals with contributions from sisters in the Lord.

Age-related challenges are real and may seem overwhelming, even frightening at times; but He has promised, "...I, the Lord your God, hold your right hand; it is I who say to you, 'Fear not, I am the one who helps you'" (Isaiah 41:13).

If you feel worn down by the challenges of life, this little book of devotions will give you the encouragement and hope that you need.

**Carol Turpin**, BSN, MN, RN, has watched the struggles and the adaptation of seniors to challenges related to aging. She believes that words and life lessons from the Bible, as well as God's willing nearness to us as we enter new life passages, is the answer to increased peace and joy through life.

Carol has been married for 50 years. She has a daughter, a son, and four grandchildren. She loves spending time with family, especially those precious moments with each grandchild. She also loves reading, gardening, and traveling.
