## *Love is Love: A Woven Celtic Knot*

By Raymond K. Houston

In June 2019, Raymond created a quilt titled “Love is Love,” using Celtic knots featuring the shape of a heart. “Love is Love” was juried into The Rocky Mountain Quilt Museum’s 2020 exhibit of quilts made by men, “The Boys are Back in Town!”

In *Love is Love*, Raymond has created templates and instructions that allow readers to recreate his magnificent quilt or unique creations of their own.

Share some love with the nine Celtic knots demonstrated in this easy-to-follow, step-by-step book.

**Raymond K. Houston** took up sewing on a dare in high school. Five years later, he began his first quilt. Raymond has developed his own methods for generating patchwork patterns and weaving Celtic knots. He has appeared in print and in person around the country, being featured in national quilt magazines and giving talks and workshops to quilt guilds from coast-to-coast. Raymond can be found online on Facebook, Instagram, and his website NachoGrandmasQuilts.com.
