Margie Makes a Difference

By Dawn Brotherton

The Lady Tigers were all about being a team. From the very first tryout, Margie, Trish, Sally and Nikki, with the help of their coaches, found they were a force to be reckoned with. But like all teams, the girls find that even the highs of winning cannot crush the painful lessons of defeat and hardship both on and off the field.

When Margie's dad is called away to serve his country, will the Lady Tigers support their friend through her lonely days, or will Margie have to find her own way during this difficult time?

Margie Makes a Difference is book 2 in the middle grade Lady Tigers Series about girls' fastpitch softball, encouraging female athletes to reach for the stars in the game they love. Other books in the series include *Trish's Team*; *Nicole's New Friend*; *Avery Appreciates True Friendship*; and *Tammy Tries Baseball*.

Books are stand alone and do not need to be read in order.

Dawn Brotherton is an award-winning author and featured speaker at writing and publishing seminars. When it comes to exceptional writing, Dawn draws on her experience as a retired colonel in the US Air Force as well as a softball coach.

"This plucky book affirms the value of hard work, team effort, and compassion. As Margie learns when she helps kids connect with their parents abroad, you can always use your own experiences to help other people—and volunteering gives you a great feeling, too."
