Unleash Your Light

By li Cara

Unleash Your Light is a spiritual journey down the path life has taken you on. It allows us to examine the roots of our blockages, learn how to love ourselves and discover our purpose. Spirituality is a process.

It's a trail that we walk in life.

It's a journey into integrating self-awareness with that Universal energy of the Light/God/Source/Creator

Real talk and a real message, not just fancy words and fluff.

Break through the emotional obstacles that keep you separated from the Divine Light within you.

Transform your Life.

Unleash Your Light.

li Cara is a Spiritual Speaker, Intuitive Empath, and Channeler, blessed in her Awakening with a simple message from Divine: simple things we can do every day to access the Divine within. li relays this message in a simple, compassionate way, using her own experiences and transformation as a part of the journey. She currently broadcasts her show, Unleash Your Light, weekly on Facebook live, sharing insight into using and embodying empathy, compassion and unconditional love toward others and toward ourselves to transform our everyday lives.
