Eastover Treasures

By Dawn Brotherton

When a tropical storm uncovers clues to a hidden treasure, will Aury and her friends be able to untangle the puzzle in time to save Eastover Retreat Center from financial ruin?

During their annual quilt retreat, gale force winds trap the sewing sisters in a boarded-up manor house. Inside, they discover the diaries of the mistress of Eastover Plantation written during the Civil War and clues she left behind for her children about a treasure hunt. Following the clues, the quilters take a journey they never expected.

As Aury works closely with Scott, owner of the retreat center, they dig up more than treasure when they follow the trail through history. Will it be enough to save Eastover and preserve the history of the plantation?

Dawn Brotherton is an award-winning author and featured speaker at writing and publishing seminars. When it comes to exceptional writing, Dawn draws on her experience as a retired colonel in the US Air Force and an avid quilter.
