## Truth Has No Agenda

By Dawn Brotherton

The military takes a hard stand against sexual assault and harassment, but what happens when politics are involved?

Jackie Austin is getting her life together as a single woman. She's been promoted, works at the Pentagon, and spends her free time helping coach youth soccer. Generally, everything is good.

Until her house is broken into.

And someone tries to kill her.

Is this because of what she's unearthed related to the cases she's been assigned? If so, the list of suspects is long.

Jackie always battles to help the victim—no matter who they are. But this time someone is doing whatever they can to stop her. Who is it and how far are they willing to go?
